

**REMARKS****1. Amendments****a. Specification**

The specification is amended to delete paragraphs, amend some descriptions, and add a brief description of Figure 6C as required by the Notice. The specification is also amended to include materials from Tables 1 and 2 that specifically relate to the claimed and allowed subject matter. Support for the material in the tables is found at lines 15221-15225 of Table 1 and lines 151383-151482 of Table 2. Tables 1 and 2 were filed on compact disc with the application as originally filed, and thus under 37 C.F.R. §1.52 are part of the application as originally filed. In view of the foregoing, Applicant submits that the amendments do not add any new matter.

**2. Conclusion**

Applicant respectfully submits that the instant application is in good and proper order for publication as a patent. If, in the opinion of the Examiner, a telephone conference would expedite the prosecution of the instant application, the Examiner is encouraged to call the undersigned at the number listed below.

Respectfully submitted,

POLSINELLI SHUGHART PC
